M1 Series Shower Wall Panels

new STYLES ADDED FOR 2024

- **100% WATERPROOF**
- **TONGUE & GROOVE**
- **EASY INSTALL**
- **FLAME RETARDANT**
- **EASY CLEAN**

ABOUT M1 SERIES PANELS

Interior decorative wall and ceiling panelling system that is easy to fit and simple to maintain. Panels are suitable for all walls and ceilings in showers, bathrooms, kitchens, conservatories, extensions and utility rooms.

DECORATIVE AND STYLISH

The high gloss panels are available in a wide variety of designs and colours from classic marble through to shimmering diamond and rustic oak – something for everyone.

EASY TO FIT

Designed to be ultra easy to fit, the tongue and groove panels simply click together using a small bead of sanitary silicone, creating a smooth watertight finish.

- The perfect alternative to tiling
- Easy to fit system, no specialist training needed
- No drying time or grouting – get the job done in one day
- Fix over existing surfaces including tiles
- Range of trims to give a professional finish
- Easy to handle and transport
- Simple to fit tongue and groove panels

EASY TO MAINTAIN

The ultimate "fit and forget" home improvement product.

- 100% waterproof honeycomb core
- No wood
- Hygienic, wipe-clean surface
- Mould resistant
- No grouting to discolour
- Excellent insulation and sound proofing
